- English (Upper intermediate)
- Dari(Fluent)
- Pashto(Intermediate)

PROFILE

I'm a versatile web developer and UI/UX designer with 4 years of experience. As a front-end expert, I craft responsive, high-performing websites using HTML, CSS, JavaScript, and frameworks like React. On the design side, I create intuitive, visually stunning user experiences, staying ahead of the latest trends. Outside of work, I'm constantly learning new technologies and giving back to the design/dev community.

WORK EXPERIENCE

- Smart City Solution ICT** MAY 2023 - MAY 2024
Graphic Designer and Web Developer
 - Develop responsive, accessible, and user-friendly front-end web applications using HTML, CSS, JavaScript, and front-end frameworks/libraries
 - Manage Social Media accounts and create contents for them using graphic design techniques.
- Umbel Stock** SEP 2022 - MARCH 2023
UI/UX designer
 - Conduct user research to understand customer needs, behaviors, and pain points
 - Design visually appealing and intuitive user interfaces that align with brand guidelines
